NatWest Cricketforce is now established as the largest volunteering event in sport. However, is your club making the most of this event?

Whether you use the 4th & 5th of April this year or other dates pre-season, it is a great way to prepare for the new season and raise your clubs profile in the community and get ready for the new season.

Just from volunteer's time alone, lots can be achieved, and approaching local businesses for freebies or discounts is definitely worth a shot.

It's so easy to register, just log onto the website now <http://www.ecb.co.uk/natwestcricketforce> where you will find details on how to register your club, as well as details of all companies offering discounts to registered clubs, advice and support material in planning your Natwest Cricketforce event.

Click here to see January's newsletter, which will give you a flavour of projects happening at other clubs around the country, and up dates on companies supporting the scheme.

If your club wish to talk about Natwest Cricketforce please give me a call on the office number. 01983 53055.

## Hampshire @ Newclose

We are delighted to confirm that Hampshire have agreed to play a Twenty20 game here at Newclose on Friday 31st July 2009 against a Newclose Invitational XI.

The match will 'kick off' at 2.30pm in the afternoon with various other activities taking place during the day including coaching for aspiring young cricketers, lunches in our marquee and restaurant, as well as lots of other fun activities for all the family.

Hampshire Director of Cricket Tim Tremlett visited Newclose back in September and was very impressed with the facility, "Newclose is a fantastic facility, one that Hampshire will look to make use of whenever possible. Hampshire Cricket will do all they can to support the day and make the event as successful as possible."

Newclose General Manager Mike Scott "We are delighted that Hampshire have agreed to play at Newclose. We expect the day to be a huge success and that this will then lead to first class cricket returning to the Isle of Wight in the future"

## Niton CC Win Indoor League.

Island Bakeries CC. who completed the season winning 8 out of their 9 games secured the Division 2 title.
