Isle of Wight Cricket Board

ECB Funding

The Isle of Wight Cricket Board receives funding from the England and Wales Cricket Board (ECB) each year through the [Improvement Planning Process \(IPP\)](#). This monitoring process is linked to two funding streams, the Board's Fixed Fee Payment and a Performance Related Payment (PRP).

2009 Funding - Fixed Fee is split into two areas; the first is a set of agreed [quantitative targets](#) across 21 specific areas. Each County Board sets the target figures for themselves with the agreement of the ECB.

The second area is that each Board has to draw up a set of [Key Developmental Areas](#). These areas are those the Board feels it needs to concentrate on over the short and long term.

The Performance Related Payment is judged against figures inputted by our Focus Clubs on an annual basis. With the ECB looking for an increase across all 5 Areas. Showing an increase in 4 or 5 Areas gets 100% of the pay, 3 areas, 75% and 2 or lower 0% of your payment. [Performance Related Pay Figures](#)

Recognition For Disabilities Cricketers

Four of the Island's disabled cricketers were nominated for awards at the recent Isle of Wight Sports and Recreational Council Awards evening. These awards are given to high achievers on the Isle of Wight in sporting endeavour, and the nominations come from the nominee's sport body in charge of that sport on the Island. Peter Brown, David Lloyd and Doug Randall were nominated in the Player Achievement category, whilst Joe Landy, was nominated in the Club Volunteer category.

Peter continued his excellent progress through 2008, and maintained his position in the England Learning Disabled Cricket squad, moving up to open the bowling through the season. Douglas was another of the Learning Disabled players on the Isle of Wight who maintained his position in the England Learning Disabled Cricket squad throughout a difficult 2008 season, eventually captaining the side. David topped the IWCB Disability team's batting charts for the 9th successive season, averaging over 40 with the bat, including a 2nd career century, and which saw him selected for the South and West Region Physical Disability 20/20 squad, to play at a selection tournament for an England Physically Disabled team.

Joe was runner up in the club volunteer category. His fundraising on behalf of the Disabled cricket team for the last 6 years has meant that players with special equipment requirements are now able to take loan of any of the equipment that there is available. Joe's efforts have also enabled the IWCB Disability Committee to extend the coaching programme to include an additional 10 sessions for complete novices, hopefully securing the future for Disabled Cricket on the IW for many years. Peter Brown came out on top of the Disabled Sports Achievement Category, with David Lloyd and Doug Randall as runners up. [Full Article](#)
