

The All-Rounder

Isle of Wight Cricket Board

Dynamos Cricket

The ECB and the Isle of Wight Cricket Board are excited to announce that registration is now open for Dynamos Cricket - the follow-on programme to All Stars Cricket and the perfect introduction for any 8 to 11 year olds new to cricket! Read on below to learn more about Dynamos Cricket and to register your club to run sessions from May onwards.

WHY HAS DYNAMOS CRICKET BEEN CREATED

Between the ages of 8 and 11, children are trying a huge number of sports and activities. If they don't love cricket by the time they're 10 years old, we are unlikely to keep them in cricket! **This is our window of opportunity.**

Whilst hundred of clubs across the country have fantastic and thriving junior sections, many children are looking for a more **casual playing opportunity.**

WHAT IS DYNAMOS CRICKET?

Teams	6 per team (12 in total)
Balls per Innings	60 balls per team (20 per pair)
Outs	Stay in if out

Dynamos Cricket takes all the recommendations from the junior formats in terms of pitch length and boundary size, and banner wraps it with the countdown cricket element of The Hundred. It is about providing continuous action, and equal opportunity.
