Isle of Wight Cricket Board

New County Kit Supplier

The Isle of Wight Cricket Board has agreed a deal with Classic Sportswear to supply all of the Islands County Teams Kit starting from this coming season.

[Classic Sportswear](#) is a UK based manufacturer of playing & training kit, sports & leisurewear for clubs around the UK.

www.classicsportswear.co.uk

All work will be undertaken in house here in the UK, from design right through to delivery.

Classic Sportswear and the Board have worked together to produce a range of quality playing and training kit for the county players to wear for the up coming season and beyond. One of the main advantages of what was offered by Classic Sportswear was that the Island could produce a kit to its own spec, which normally come at a price but was offered at great value by classic sportswear.

Samples of the kit are being produced at this moment and will be available soon for players to view and try on. We will also be running a series of fitting session at training session for all county players, so individuals don't order the wrong size
