St Georges Table Cricket Champs

The first Lord Taveners table cricket competition was won by St Georges School on the 21st March at Newclose CCG.

The three teams played each other twice giving many of the individuals their first experience of playing competitive sport.

The winners were decided by runs scored as Cowes Enterprise and St Georges had identical records at the end, with St Georges winning by 5 runs

CLEAN SWEEP FOR FREE SCHOOL

The Lady Taveners U13 and U15 Indoor competitions were dominated by the Island Free School this year.

With 6 teams entered into both the U15 & U13 competition the format saw two three team mini tournaments at each age group with the winners going through to the final. The Free School had two teams entered into each competition. All four teams won their respective tournament and qualified for the finals. The U15 final saw the Yr9 score 103 which the Yr10 found hard work due to some accurate bowling and finished 24 runs short. The U13 final was a closer encounter going down to the final over, with team 1 winning by 9 runs.

Both teams will onto represent the in the south west regional round at the Ageas Bowl on the 17th (U13s) and 18th (U15s) April.

Good luck to both teams.
